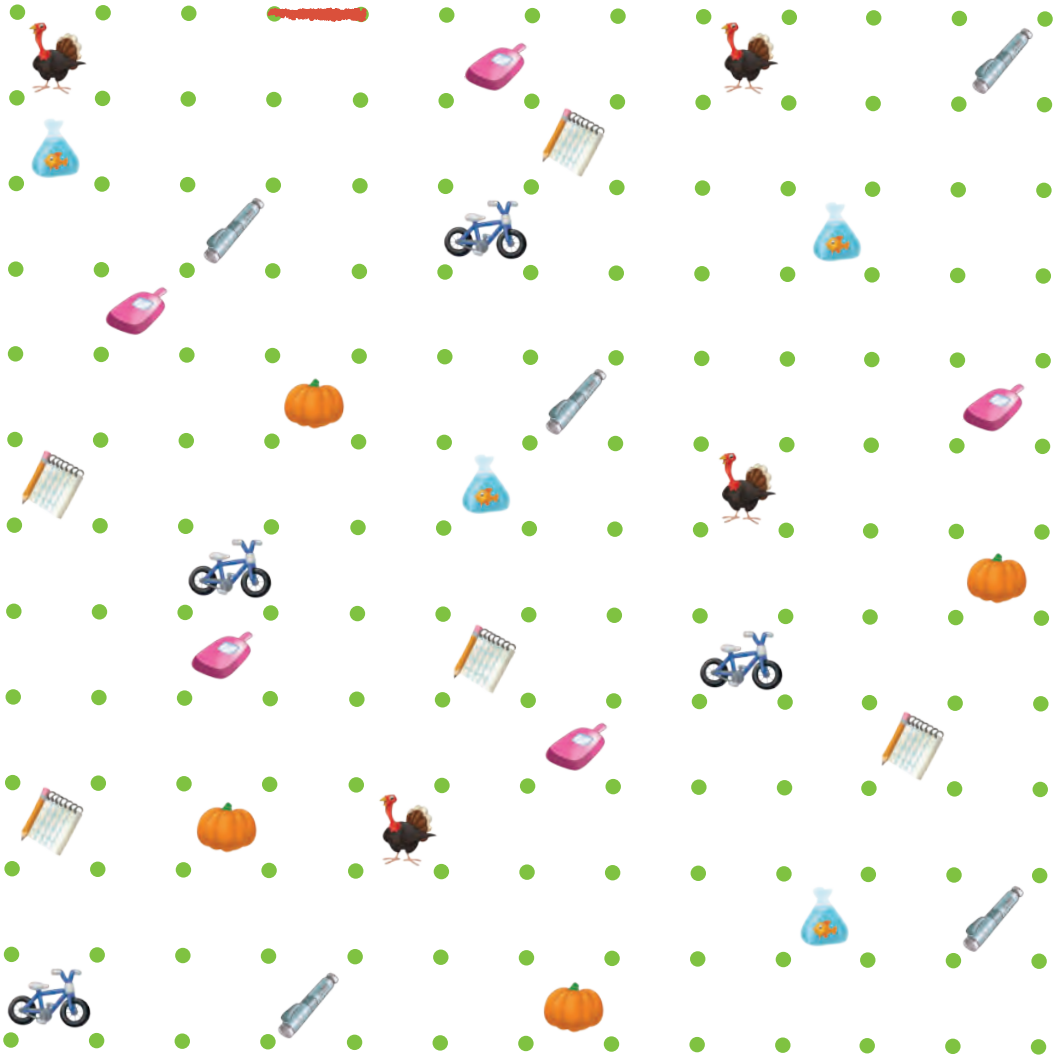
What's In Your Bag?

Goofy wants to help Coco with her diabetes supply bag, but he keeps putting all the wrong things inside. With a friend or family member, take turns joining two dots that are right next to each other with a line. A player who completes the fourth side of a square (a box) gets a point. If you form a box around something that belongs in Coco's diabetes supply bag, give yourself an extra point. But watch out. If you form a box around something that doesn't belong there, you lose a point. The player with the most points when no more boxes can be drawn wins.



What are your favorite snacks? Do you have a favorite juice flavor?
